

# BREAST AND CERVICAL CANCER SERVICES

## About the Breast and Cervical Cancer Services Program

The Breast and Cervical Cancer Services program provides quality, free, accessible breast and cervical cancer screenings and diagnostic services to women. Regular screening is the best way to detect breast and cervical cancers in the earliest stages.

### Who is eligible?

You may qualify for free breast or cervical cancer screenings and diagnostic services if you:

- Live in Texas.
- Are a woman 18 or older.
- Don't have health insurance or are underinsured.
- Make less than the monthly family income limit.

### What benefits are available?

The program offers:

- Clinical breast exams.
- Mammograms.
- Pelvic exams and Pap tests.
- Diagnostic services.
- Cervical dysplasia services.
- Help with Medicaid for Breast and Cervical Cancer (MBCC) applications.

### How do I apply?

Call 2-1-1 or visit [HealthyTexasWomen.org](http://HealthyTexasWomen.org) for clinics near you.

After you find a nearby health care provider, call to make an appointment. You will complete an application during your appointment.

If you have been diagnosed with breast or cervical cancer and don't have health insurance that will pay for your treatment, you might be able to receive full Medicaid benefits from MBCC. Contact a Breast and Cervical Cancer Services clinic to see if you qualify for the MBCC program.

### What is the monthly family income limit?

Scan the QR code for the most up-to-date information on the federal income limits.

### Where can I get breast and cervical cancer services?

To find health care providers that offer breast and cervical cancer screening services:
